Once there was a way to get back homeward

Once there was a way to get back home

Sleep pretty darling do not cry

Smiles awake you when you rise

Sleep pretty darling do not cry

And I will sing a lullaby

**When the Golden Slumbers ends,
I became a suspect!**

FILM SYNOPSIS

A moment turned his world upside down

Gun-woo (GANG Dong-won) is an honest and hardworking courier who even won a Model Citizen Award for saving a singer from a robbery incident. Out of the blue, his old friend Moo-yeol comes to visit him at work. With just a short moment to enjoy the pleasant surprise, Gun-woo witnesses a bombing incident that kills a presidential candidate right before his eyes. Moo-yeol tells Gun-woo that he is responsible for the bombing and that everyone will come after him as it is the agency's plan to make him the prime suspect.

Gun-woo manages to flee from the scene but all evidences, including security camera footages, witness testimonies and fingerprints point toward him as the suspect. He meets former secret agent Mr. Min (KIM Eui-sung), who is an old friend of Moo-yeol and he helps out clear his name. Gun-woo must fight with all his strength to stay alive. However, as he tries to run away, everyone around him is put into dangerous situations, including old friends Dong-kyu (KIM Dae-myeong), Geum-chul (KIM Sung-kyun) and Sun-young (HAN Hyo-joo).

ABOUT THE FILM #1

**Anyone can become a target, if he is worth exploiting!
A dramatic chase for a man who is instantly framed as an assassin**

Gwanghwamun in the heart of Seoul is booming with civilians who go about their daily lives. When a bomb goes off, this busy area suddenly turns into a scene of chaos and panic. Blending emotional melody of the Beatles' Golden Slumbers and ferocious chase of a desperate man, GOLDEN SLUMBER's fun factor comes from the clash between these two opposite ends of an emotional roller coaster. Dangerous game of cat and mouse isn't the film's emotional core. The most important things to Gun-woo's life are friendships with his old friends, who learn a valuable lesson when Gun-woo becomes a prime suspect of a deadly bombing. Gun-woo too receives courage to resist and survive from the support of his friends even though everyone has turned their backs on him. Based on Isaka Kotaro's bestseller 'Golden Slumber', the stage has changed to Seoul, GOLDEN SLUMBER vows to exceed everyone's expectation to become a suspenseful yet heartwarming thriller.

ABOUT THE FILM #2

Renowned casting of GANG Dong-won, Kim Eui-sung, HAN Hyo-joo, KIM Sung-kyun, KIM Dae-myung and YOON Kye-sang

GANG Dong-won who received a ton of rave reviews for his appearance in mega hit 1987: WHEN THE DAY COMES, at its core, some of the most notable actors of their generations have gathered in one place for GOLDEN SLUMBER.

GANG Dong-won has been on an incredible streak in recent years by playing an elite detective in MASTER, a swindler in A VIOLENT PROSECUTOR, and a young exorcist in THE PRIESTS. Gun-woo in GOLDEN SLUMBER marks his most realistic character yet. He showed immense interest to the attractive character from the beginning and has participated in the development stage of the film which began 7 years ago. The cast was completed by bringing in top supporting actors to play his old friends: HAN Hyo-joo, KIM Sung-kyun, KIM Dae-myung and YOON Kye-sang. All of them exhibited their own unique traits with a variety of occupations: Geum-chul is a regular computer repairman, Dong-kyu is a renowned divorce lawyer, Sun-young is a traffic reporter, while Moo-yeol is a secret government agent. Having veteran actor KIM Eui-sung on the set alongside GANG Dong-won enhanced this stunning ensemble cast. Having starred in blockbusters TRAIN TO BUSAN, THE KING and 1987: WHEN THE DAY COMES, KIM brings gravitas to the screen. GOLDEN SLUMBER is also KIM and GANG's first on-screen partnership.

ABOUT THE FILM #3

First film to shoot in Gwanghwamun Square!

Reality-based action sequences that weave through all parts of Seoul

GOLDEN SLUMBER took on a huge challenge of filming on Sejong-ro street in Gwanghwamun, one of the most prestigious and central location in Seoul, and onto Hongje stream's underground drainage system. The explosion scene in the beginning of the film was shot in Gwanghwamun for the first time in Korean cinema history. As it was difficult to receive permit for the shooting, the filmmakers of GOLDEN SLUMBER meticulously completed all shoot preparations, pre-visualizations and received the permit after 4 long months. With over 200 extras and 50 additional production assistants, about 450 people, 50 cars, 5 main cameras and 14 secondary cameras were used in the shoot to make the explosion scene as believable as possible.

ROARING CURRENTS, TUNNEL's director of photography KIM Tae-sung and NEW WORLD, THE MERCILESS and THE OUTLAWS' stunt coordinator HEO Myeong-haeng collaborated with director NOH to come up with unforgettable and realistic action sequences in GOLDEN SLUMBER.

ABOUT THE FILM #4

**The Beatles' Golden Slumbers is remade by KANG Seung-yoon and LEE Hai
Music that brings back memory, SHIN Hae-chul's 'To You' and 'Be Strong'**

Title of GOLDEN SLUMBER came from The Beatles' song with the same name, which was released in 1969 as part of Abbey Road album just prior to the disbandment of the band. Written by Paul McCartney, the song looks back on the friendship between the band members over the years. As it is also the name of Gun-woo's shop, the song plays a crucial part as the backdrop of Gun-woo's flashback, where he and his friends played the song together as high schoolers. WINNER's lead vocalist KANG Seung-yoon and LEE Hai used their soulful baritone voices and remade a new version of Golden Slumbers. Both versions of the song are used depending on Gun-woo's emotional change as the film progresses.

If The Beatles' song represented Gun-woo's emotional state, SHIN Hae-chul's songs represent reflection of his friendship with his old band mates. While thinking about which songs were most sung by Korean rock bands, music supervisor KIM Tae-seong thought of 'To You.' The song 'To You' reminisces on heart-beating, energetic vibe and warm-hearted lyrics, which effectively shows one's cry for help and strength to never give up.

CHARACTERS & CAST #1

A courier framed for murder, Gun-woo

“Why me? Is it a crime to live a clean life?”

Ordinary in every way, Gun-woo tried to live his life with a strict ethics code to never cause harm to anyone. He can't look away from someone getting hurt and believes good deed will bring change to the world. He saves teen idol Su-ah from a robbery incident and becomes famous nationwide. But out of nowhere, he becomes framed for killing a presidential candidate. From security camera footages, witness testimonies to fingerprints, evidences are stacked against him. With the whole world chasing after him, he must resist and survive in order to clear his name.

GANG Dong-won / His first approach as an ordinary courier!

As one of the most celebrated actors of his generation, GANG Dong-won is an actor to the highest degree. For that reason, he is the top casting choice for many top directors in Korean cinema, including YOON Jong-bin (KUNDO), JANG Hoon (SECRET REUNION) and LEE Myung-Se (M).
